

35th ANNUAL SPRING SEMINAR
GENEALOGICAL SOCIETY OF MONROE COUNTY, MI
SATURDAY MARCH 31, 2012
at the Monroe County Community College
(directions on other side)

Beginning to Advanced Research with Jana Broglin

- 8:00 am – 9:00 am Registration and Welcome (coffee and donuts)
- 9:00 am – 10:00 am **The Key to the Courthouse**
We all want the key to the courthouse. Where the records are located, what are the different types of records to be found, and how to plan for a courthouse trip. All levels – research repositories.
- 10:00 am – 10:30 am Break
- 10:30 am – 11:45 am **“The Proof is in the Pudding” Using the Genealogical Proof Standard**
In learning the proper research techniques, the process of evidence evaluation is made clear to the all genealogists by using the Genealogical Proof Standard.
- 11:45 am – 1:00 pm Lunch (bring a brown bag lunch)
- 1:00 pm – 2:15 pm **“Isn’t that Special?”**
When thinking about the census, we think of the Population Schedules. You know the ones: those early ones that only list the head of household, and later schedules that list everyone in the dwelling. There’s more! Use these “other” federal schedules to really find out what your ancestor truly was like. All levels – methodology.
- 2:15 pm – 2:45 pm Break & Raffle
- 2:45 pm – 4:00 pm **DDD (Defective, Dependent and Delinquent Population Schedules)**
While done only in 1880, the DDD offers more description to those persons marked in the health and institutional areas in the population schedule. The Defective, Dependent, and Delinquent schedule expands notations taken in the Federal Population schedule for 1880. The seven schedules included in the DDD will be examined.
